Chassis
24158

LORRY
NY 12
→ 385T 1939

Lorry Body 8778

A SEPT 1932 contract for a new forward control Cygnet had been placed by People's Motor Services, Hextford. When People's passed to LPTB on 30 November 1933, LPTB was compelled to take the vehicle. But the Thornycroft body then under construction was cancelled. The chassis was fitted by LPTB with a lorry body by Chalmers, Redhill, of the same type fitted to the diverted Thornycroft chassis on order by City, St Albans, which LPTB numbered as Lorry NY 11. This Peoples chassis ~~subsequently~~ similarly became Lorry NY 12, in the country fleet. It was transferred to Chriswick on 7-8-35.
